

# Lac Ste. Anne County History

**1913 2006**

**The new Lac Ste. Anne County History books have arrived and are for sale at the County Office. The book provides an overview of County history from 1913 to 2006 and is divided into three Sections. Section I is a reprint of the original History Book (Municipal and School to about 1965), Section II (Municipal, 1965-2006) Section III (School, 1965-1995). It has 454 pages and contains a lot of information about the County as well as Libraries, Fire Departments and Special Places of interest. The book will be of interest to anyone who lives, or did live, in the County.**
