

Physician Recruitment

As most residents throughout Lac Ste. Anne County may already know, Dr. Plimbley has recently retired from his practice in Onoway, and to date The Allin Clinic has been unable to find a replacement doctor for this facility.

Lac Ste. Anne County is one of several partners actively working to attract a new physician to Onoway. Other members of the Physician Recruitment Committee include the Town of Onoway, Town of Mayerthorpe, Village of Alberta Beach, the Lac Ste. Anne Foundation, and the Summer Villages.

The Committee has also been working with Alberta Health Services and the Rural Physician Action Plan looking at possible ways to attract a new physician (or physicians) to set up a practice in Onoway.

Unfortunately, there is a severe shortage of family physicians willing to practice in rural Alberta, but the Committee is determined to pursue every option available to correct this deficiency.

If you have any questions or concerns please contact the County office at 780-785-3411 or 1-866-880-5722.
