

FIRE BAN – UPDATE

**Effective June 1, 2010 at 8:00 a.m.,
Lac Ste. Anne County has lifted the Fire Ban.**

Lac Ste. Anne County would like to take this opportunity to thank all its residents for following the restrictions and guidelines put in place with the Fire Ban. Your patience in this matter was greatly appreciated by County staff!

As a reminder, please contact your local County Fire Guardian to obtain a Fire Permit from now until October 31, 2010. A Fire Permit is required for any open flame burning with the exception of your backyard fire pit.

As well, please contact the County office to obtain a Burn Barrel Permit Application to get your burn barrel properly permitted for the fire season in place now until October 31, 2010.

Please ensure that any burn area is completely out by dousing the burn area with water, stirring the ashes, and dousing the burn area again with water.

If you feel no heat, the fire should be out!

For any questions or concerns, please contact the County office at 1-866-880-5722 or 780-785-3411 or check the Lac Ste. Anne County website listed above for further details.

Please call **9-1-1** if you discover a fire.
